Education:

Leaving Certificate

St Macartan's College (2010-2016)

• Physics (HL)	A1
• Design & Communication Graphics (HL)	B2
• Geography (HL)	B2
• English (HL)	B3
• Maths (HL)	C2
• French (HL)	C3
• Irish (OL)	C3

BSc Computer Applications

Dublin City University (2016-Present)

Experience:

Carphone Warehouse Monaghan - Sales representative

October 2018 - January 2019

- I worked with a team to achieve weekly sales targets for the store
- I advised customers on phones, networks, and network plans
- I dealt with network systems and employees to solve customer issues
- Organised, prepared, and maintained shop floor each day for customers
- I improved my communication and customer service skills, developed good working relationships, and proved trustworthiness with money

Web Development

Summer 2018

- I discussed requirements, designed, developed, and uploaded websites for local businesses
- I used internet marketing strategies to improve each site's exposure
- I refined my coding skills and learned more about digital marketing

AT Construction - Team member

Summers 2016 - 2019

- I worked alongside a team to renovate properties
- Tasks included flooring, tiling, plumbing, general construction, and working on electrics
- I used my own initiative to get problematic tasks done, and picked up a wide range of design, repair, and building skills

Skills:

- Good at dealing with customers
- ECDL (European Computer Driving License)
- Computer Programming (Advanced Python and Java)
- Web Development (HTML, CSS, JavaScript, Bootstrap)
- Android App development (XML, Java)
- A good eye for design
